Management is responsible for the preparation and presentation of these condensed consolidated interim financial statements in accordance with IAS 34, 'Interim Financial Reporting'. Our responsibility is to express a conclusion on these condensed consolidated interim financial statements based on our review.

Scope of Review

We conducted our review in accordance with the International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying 30 June 2015 condensed consolidated interim financial statements are not prepared, in all material respects, in accordance with IAS 34, 'Interim Financial Reporting'.

Other matter

The interim financial information for the six-month period ended 30 June 2014 and the consolidated financial statements for the year ended December 31, 2014 were reviewed and audited respectively by another auditor who expressed an unmodified review conclusion on the interim financial information for the six-month period ended 30 June 2014 on 23 July 2014 and an unmodified audit opinion on the consolidated financial statements for the year ended 31 December 2014 on 17 February 2015.

IFRS 8 requires operating segments to be identified on the basis of internal reports about components of the Group that are regularly reviewed by the chief operating decision maker in order to allocate resources to the segment and to assess its performance.

For operating purposes, the Group is organised into four major business segments:
